White Deer Township Sewer Authority

July 15, 2026

Meeting Minutes

Present: Tom Heckert, Ben Jamison, Nelson Doebler, Steve Wilver, Todd Oberdorf, Josh Satteson, Lauren Santanen, Jack Burkhart, and Kim Holley.

The WDTSA April meeting was called to order by Chairman Tom Heckert at 6:30 PM.

Engineer's Report: HRG was given more information regarding ARC funding. ARC is federally sourced and all federal standards and guidelines are to be followed making the use of this funding cumbersome and costly from an administrative/engineering perspective.

HRG included a cost estimate showing three separate project costs for the remediation of the I & I on the White Deer Pike.

HRG has scanned all the original collection system and wastewater plant plans from 1971 into PDF. The plans will be provided to WDTSA upon completion of their digital organization.

HRG continues with the basement inspection program and has completed the first round of phone contacts for the remaining homes that need to be inspected. HRG will continue to attempt inspections through the end of August. Since the commencement of the basement

inspections HRG has been actively working to update the GIS data gathered from those inspections.

HRG has started the hydraulic evaluation and design of the new pump station. Wetland investigation will occur August 3rd and will allow HRG to finalize the layout and permitting of the preliminary design.

Mr. Jamison made a motion to accept the Engineer's report. Mr. Wilver 2nd. M/C.

Operator's Report: Mr. Oberdorf discussed a project that had been completed at 6 Lahr's Circle by Keiser's that recently had issues. The contractor has requested that the Authority pay half for repairs completed.

Mr. Wilver made a motion to pay $1,800.00 for the repairs. Mr. Doebler 2nd. M/C.

Mr. Oberdorf gave estimates for the camera survey project from Mr. Rehab and USG. The board discussed pricing and the cost of putting the project out for bid. Mr. Wilver suggested that since we have a corrective action plan in place, the Authority should plan on locating the problem areas and finding a source of funding for repair of the sewer line on White Deer Pike. Mr. Oberdorf brought forward the option to do the camera survey in three phases. Mr. Oberdorf will get pricing from USG for next meeting.

Mr. Jamison made a motion to accept the Operator's Report. Mr. Wilver 2nd. M/C.

Mr. Wilver made a motion to accept the Secretary's Report. Mr. Jamison 2nd. M/C.

Treasurer's Report: Mr. Wilver made a motion to accept the Treasurer's Report. Mr. Jamison 2nd. M/C.

A motion to adjourn the WDTSA Board meeting was made by Mr. Doebler. Mr. Wilver 2nd. M/C.

Meeting adjourned by Mr. Heckert at 7:26 P.M.

Respectfully submitted by Kim Holley
