White Deer Township Sewer Authority

May 19, 2026

Meeting Minutes

Present: Ben Jamison, Nelson Doebler, Bob Hunter, Steve Wilver, Todd Oberdorf, and Jenna Neidig.

The WDTSA May meeting was called to order by Vice Chairman Ben Jamison at 6:30 PM.
Engineer's Report: None.

Operator's Report: Mr. Oberdorf reported that White Deer Township had called about a sink hole in the blacktop in front of 8 Lahr Circle. Mr. Oberdorf contacted the owner of the property to see if the Authority could hire Keiser's Plumbing to camera the lateral to ensure the line was in good condition. The inspection was agreed on and upon completion showed no issues with the sewer line where there was settlement. However, during that inspection a water intrusion was found at a cracked fitting from a repair Keiser's Plumbing made on the main sewer line. Keiser's agreed to repair the faulty fitting that is mostly under warranty. Since the blacktop is the Authority's responsibility, Mr. Oberdorf requested an estimate to have Keiser's Plumbing repave the two affected sections of roadway. (The sink hole in front of 8 Lahr Circle and in front of 6 Lahr Circle where they had to cut to make the repair.) Mr. Oberdorf reviewed and presented Keiser's Plumbing estimate of $4,900.00 to the board.

Mr. Wilver made a motion to have the repairs completed by Keiser's Plumbing. Mr. Jamison 2nd. M/C.

Mr. Wilver made a motion to accept the Operator's Report. Mr. Jamison 2nd. M/C.

Secretary's Report: Transfer of the Authority's savings to generate investment capital were discussed.

Mr. Jamison 2nd. M/C.

Mr. Wilver made a motion to accept the Secretary's Report with an amendment to add the motion to transfer $300,000.00 from the LPMS to the PLGIT investment account that was approved during April 2026 meeting. Mr. Jamison 2nd. M/C.
